Accessories

H20 Wheel Stand

The UnoLiner H20 Wheel Stand is notable for its sturdy and practical design, a full set supporting vehicles from compacts to pickup trucks. Casters add mobility to the H20, allowing easy placement. A wider variant is also available, called the H20L. There are four H20 Wheel Stands in each UnoLiner *Drive-On Bench Set* or *In-Ground Bench Set*.

Features

- Tough, solid, and durable
- Casters for extra mobility
- Compact wall storage on H2080 Rack
- Wider version available, the H20L
