Width	365 mm
Weight	8 kg
Max. load weight	1125 kg

H20 Wheel Stand

The UnoLiner H20 Wheel Stand is notable for its sturdy and practical design, a full set supporting vehicles from compacts to pickup trucks. Casters add mobility to the H20, allowing easy placement. A heavy-duty variant is also available, called the H25, which has a max. load weight of 1250 kg. There are four H20 or H25 Wheel Stands in each UnoLiner *Drive-On Bench Set* or *In-Ground Bench Set*.

Features

- ✓ Tough, solid, and durable
- ✓ Casters for extra mobility
- ✓ Compact wall storage on H2080 Rack
- ✓ Wider version available, the H20L
- ✓ Heavy-duty version available (H25)
